The Promoter's Privacy Policy also contains information about how a person may opt out of any communication, access, update or correct their PI, how a person may complain about a privacy breach or concern and how those complaints will be dealt with.

General Conditions

1 These Terms and Conditions incorporate and must be read together with the details outlined above as well as any information set out on the Website or Point of Sale. Information about the Bonus Offer and how to claim (including on the Website or Point of Sale) forms part of these Terms and Conditions.

2 A person is deemed to have accepted these Terms and Conditions by submitting a product registration. No other terms or conditions (including any terms or conditions from any Authorised Retailer) shall apply.

3 No employee, agent or representative of the Promoter is authorised to make guarantees, warranties or representations in addition to, or contrary to, these Terms and Conditions.

4 The Promoter reserves the right to exclude a Bonus Claim made by employees and family members, of the Promoter, Authorised Retailer or any third parties involved in administering a Bonus Offer where the Promoter reasonably considers that the Eligible Purchase used to submit a Bonus Claim has been made using any employee or staff discount that may be available to that person.

5 The person submitting a Bonus Claim represents and warrants that all information provided is true, correct and accurate. Any misrepresentation, non-compliance with these terms and conditions, fraudulent activity or false information supplied in connection with a Bonus Claim will immediately disqualify the Bonus Claim and that person may be ineligible for any future Bonus Claims (in the Promoter's absolute discretion). Any Bonus Claims submitted by a person who is suspected of tampering or interfering with the bonus claim process will be immediately disqualified and that person may be ineligible for any future Bonus Claims (in the Promoter's absolute discretion).

6 All Bonus Claims are for personal use only and must not be resold. Without limiting any other rights, the Promoter reserves its right to immediately cancel or reject any Bonus Claim if the Promoter reasonably suspects that an Eligible Product has been purchased, or a Bonus Offer has been claimed, with the intent of that Eligible Product or Bonus Offer being resold by the person submitting the Bonus Claim (either directly or through a business in which that person is involved).

7 Unless there is a defect with the Eligible Product, if the Eligible Product is returned to the Authorised Retailer, the corresponding Bonus Claim will become invalid. Where the Promoter reasonably suspects that an Eligible Product has been returned, the Promoter may suspend the Bonus Claim, and delay issuing any egift card, while it makes enquiries. This may include asking the Eligible Person for further information or verifying the Eligible Purchase with the Authorised Retailer. If the Promoter reasonably determines that an Eligible Product has been returned, the Promoter may, to the extent permitted by law: (a) reject the Bonus Claim; (b) cancel any egift card issued for that Bonus Claim that has not been activated or transferred; (c) require the Eligible Person to repay the value of any egift card issued for that Bonus Claim that has been activated or transferred; and/or (d) disqualify that person from future claims. Nothing in this clause limits any right an Eligible Person has under the Australian Consumer Law, including to a refund, replacement or repair for an Eligible Product that does not comply with a consumer guarantee.

8 The Promoter is not responsible for any issues relating to the egift card vendor Blackhawk Network or the egift card retailer, Bunnings Warehouse, including but not limited to insolvency, issues with redeeming or using the egift card or the loss, theft or expiration of the egift card.

9 Authorised Retailers are unrelated and independent third parties. Any values of Eligible Products or Bonus Offers stated by the Promoter are based on the Bunnings Warehouse shelf price of those products. However,

each Authorised Retailer is free to determine the actual retail price of those products at their absolute discretion so actual values may vary. Eligible Products may not always be available in all Authorised Retailer stores during the entire Purchase Period. Rainchecks or future order confirmations will not be accepted by the Promoter as Proof of Purchase for a Bonus Offer.

10 Whilst the Promoter takes reasonable efforts to ensure stock of Bonus Offers is sufficient to meet anticipated demand for Bonus Claims, circumstances beyond the Promoter's reasonable control can mean that a Bonus Offer may not be available (including due to overwhelming demand, supply chain issues or other circumstance beyond the Promoter's control). If the Promoter is unable to provide the specific bonus item, the Promoter will instead make available to an Eligible Person the choice of waiting until replenishment stock of the specific bonus item becomes available or receiving alternative product(s)/item(s) of similar style or similar value (in the Promoter's absolute discretion) by way of substitution.

11 The time taken to verify a Bonus Claim, the availability of a Bonus Offer and the date for receiving delivery of a Bonus Offer may all be impacted due to reasons outside the control of the Promoter and without notice to an Eligible Person.

12 There is no fee charged to make a Bonus Claim other than the cost of purchasing an Eligible Product and accessing the Internet to submit the claim.

13 If a Bonus Offer cannot run as planned for any reason beyond the Promoter's control (for example due to software, hardware or communications issues, unauthorised intervention, tampering, fraud or technical failure, government directives, a pandemic, public health orders and the like), the Promoter may end, change, suspend or cancel any Eligible Product, any Bonus Offer, the Purchase Period or any other conditions relating to the Bonus Offer or disqualify affected Bonus Claims / Claimants.

14 If a Bonus Offer is interfered with in any way or is not capable of being conducted as reasonably anticipated due to any reason beyond the reasonable control of the Promoter, including but not limited to technical difficulties or electronic tampering or fraud, the Promoter reserves the right, in its sole discretion, to the fullest extent permitted by law: (a) to disqualify any Person, or (b) to modify, suspend, terminate or cancel the bonus offer, as appropriate.

15 The Promoter takes no responsibility for any technical malfunctions or problems with internet or network congestion, problems with transmission of entries and / or emails over the internet, acts in violation of these terms and conditions, acts in a disruptive manner, or acts with the intent to annoy, abuse, threaten or harass any other person.

16 Any taxes which may be payable as a consequence of an Eligible Person receiving a Bonus Offer are the sole responsibility of the Eligible Person.

17 If any dispute arises between the Promoter and any person submitting a Bonus Claim concerning any matter related to these Terms and Conditions or the registration/bonus process, the Promoter will take reasonable steps to consider that person's point of view, considering any facts or evidence put forward, and to respond fairly and within a reasonable time. In all other respects, the Promoter's decision is final and no correspondence will be entered into.

18 Nothing in these Terms and Conditions limits, excludes or modifies or purports to limit, exclude or modify the statutory consumer guarantees as provided under the Competition and Consumer Act 2010 (Cth) or any other implied warranties that are incapable of being excluded (Non-Excludable Guarantees). Except for any liability that cannot by law be excluded, including the Non-Excludable Guarantees, the Promoter (including its respective officers, employees and agents) excludes all liability (including negligence), for any personal injury; or any loss or damage (including loss of opportunity); whether direct, indirect, special or consequential, arising in any way out of any Bonus Claim.

19 Failure by the Promoter to enforce any of its rights at any stage does not waive those rights.

20 The laws of Victoria, Australia apply to this offer to the exclusive jurisdiction of the courts of Victoria, Australia.
